THE FUTURE IS NOW WITH DDK

The office environment is ever changing and so too are the demands placed on the office fitout. Keeping pace with change is no longer enough and it is the companies that think outside the box, with an eye to the future that are the most sought after. The DDK business model takes account of these and other factors acknowledging the competitive nature of the construction sector, the complexity involved in getting a project over the line and the need to meet deadlines and budgets.

FROM CONCEPT TO COMPLETION

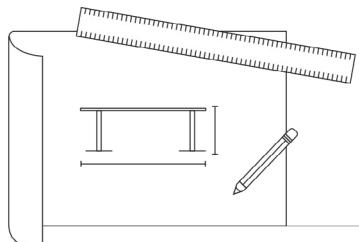

With 40 years of industry knowhow behind them DDK understands the needs of today's modern office and is able to offer a turnkey solution from design to delivery. Family owned since 1974 DDK provides quality office furniture and joinery to over 400 suppliers nationwide. Working out of state-of-the-art plants in both Melbourne and Sydney the 50 strong workforce offers consultancy and design as well as manufacturing, imports, delivery and installation. Backed by a skilled team and high tech machinery, their vast manufacturing capability is supported by a network of well-established and reliable suppliers. This network enables DDK to amalgamate concepts using a variety of methods, applications and materials, offering solutions from concept to completion.

COMPLETE INTEGRATION

Providing a total office solution is an exercise of great complexity from the careful consideration of cost and aesthetic to compliance with safety and other regulations while also functioning efficiently and productively. By working consultatively with builders, architects, interior designers, project managers and fitout specialists DDK ensures that projects are completed to spec, on time and on budget.

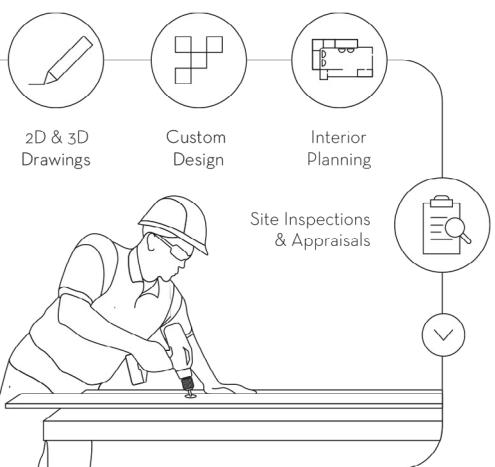

AHEAD OF THE CURVE

Part of DDK's forward thinking strategy is to carefully consider products that will enhance the working life of individuals. By studying world market trends, alongside an extensive research and development program, DDK remains at the forefront of technological advancements helping to facilitate workplace health and safety. The hallmark AFRDI approved Selectric Sit/Stand workstation is an example of this approach. It meets industry demand for an office solution that is both ergonomic and affordable. DDK's expertise sits comfortably alongside other global trendsetters in embracing the new standards and, in turn becoming industry leaders.

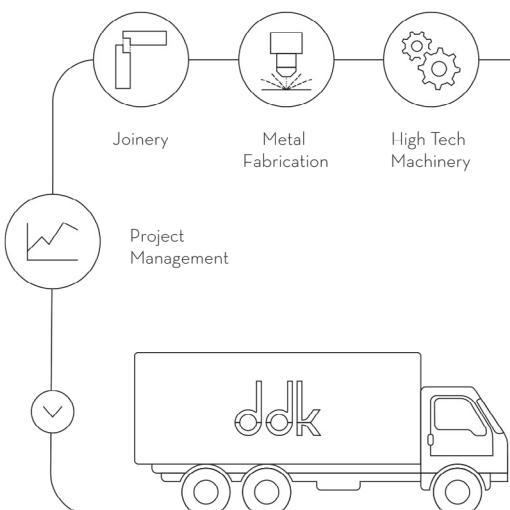

Design

A passion for innovation paired with over 30 years design experience ensures we can offer seamless professional facilitation from conception to completion. With Custom Design Services and on site measurements available we have the expertise to deliver your next project to spec on time and on budget.

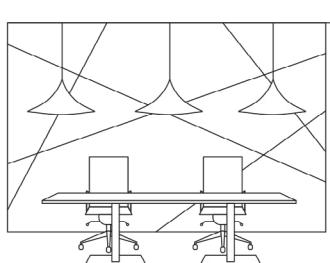

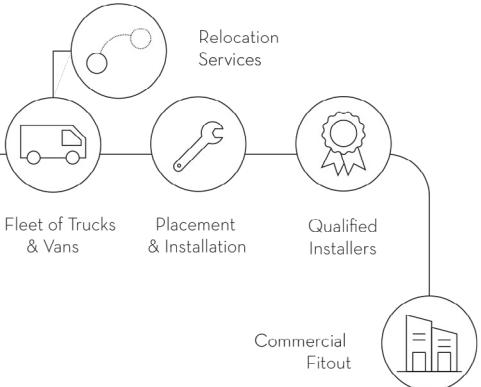

Manufacturer

DDK is a commercial furniture manufacturer and large scale importer of turn key furniture solutions. Our team of skilled cabinetmakers and wood machinists work with a wide range of materials and state of the art machinery to ensure the highest quality end product. Steel tubular furniture and screen systems are manufactured using all Australian raw materials and steel and are backed by an expert team ready to provide a complete solution for any budget.

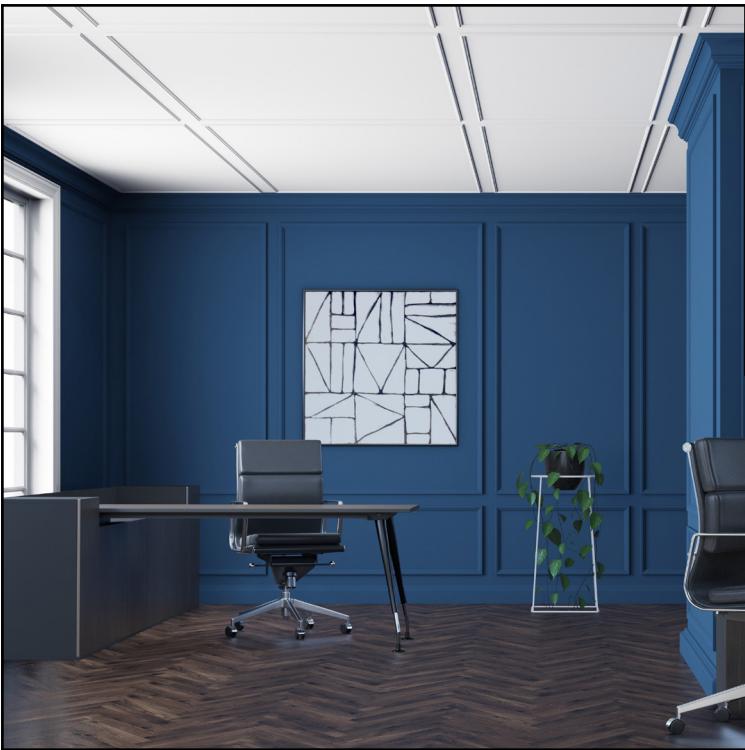

Deliver

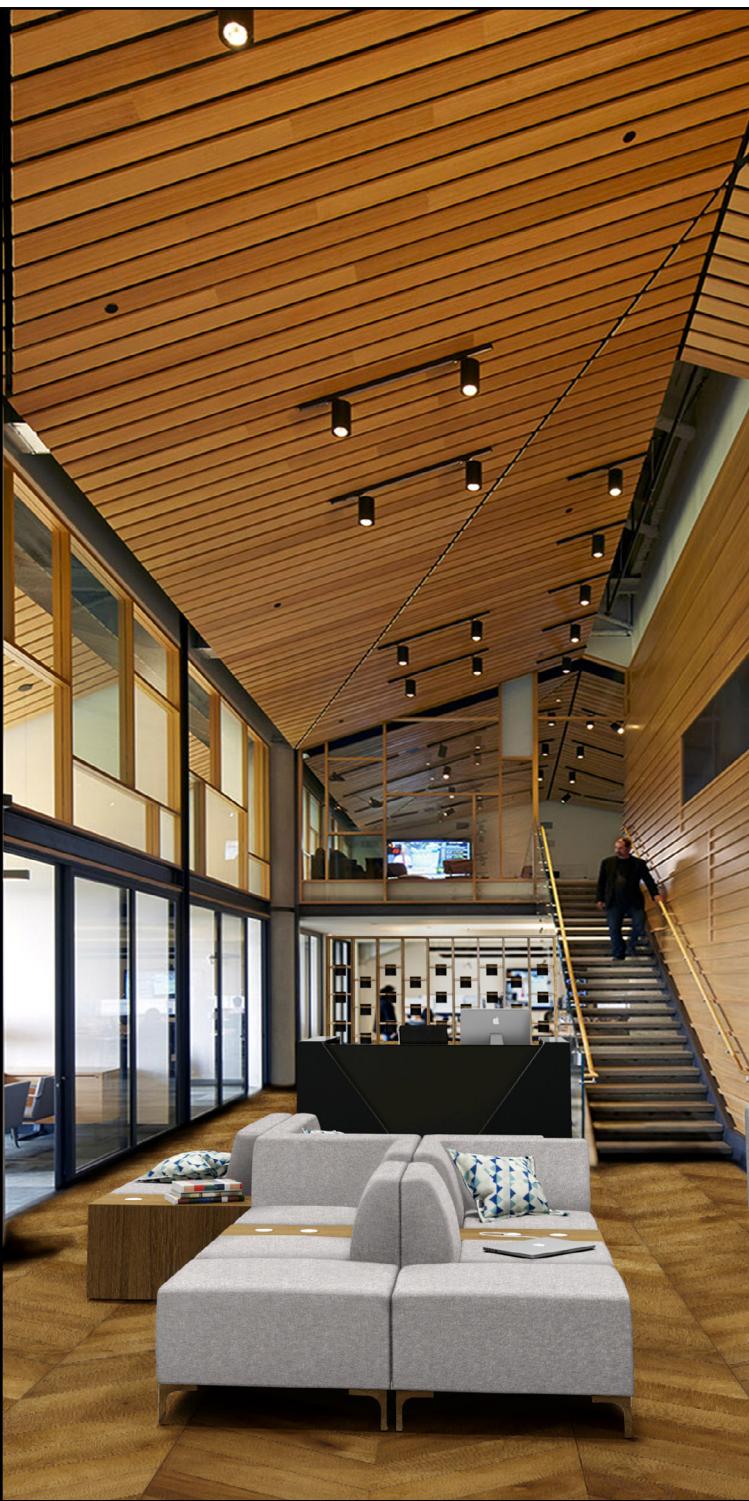

Our large fleet of trucks manned by highly skilled operators deliver to Melbourne and Sydney Metro ensuring your product is handled from end to end using specialist materials. National delivery is also available through our national fleet partners. DDK also offers a Relocation Service as well as Site Inspections and Appraisals.

Install

Our skilled technicians are trained in both handling and the installation of projects with over 30 years experience in CDB and extended metropolitan areas. Our installers have worksite certificates and accreditations and are equipped with specialised tools and equipment to ensure a quick and safe installation.
