PARTITIONS

PARTITIONS

YS Design's Partitions and Workstations offer a stylish and flexible system to meet changing demands.

With the "T8" Series the applications are endless, from workstation pods to temporary walls or offices, these screens can be adapted to any situation. With 2 different heights and 3 different widths the screens can be combined to suit any requirement.

YS Design Partitions allow you to create individual workspaces with in a range of different combinations

The cleverly designed system easily maximises usable space while creating a harmonious and positive work environment that is sure to keep your staff happy and enhance your company's brand and identity.

With the unique clip system you can create your office or workstation in minutes and the configuration of the screens can be changed with ease.
